

## Senior Design group 6 Meeting #9

**Date:** 11/27/12

**Meeting Start Time:** 8:14 PM (-3 GMT) (with DST)

**Meeting End Time:** 8:42 PM (-3 GMT) (with DST)

**Communication Method:** Skype

- Final Report and Presentation postponed from Dec. 4<sup>th</sup> to Dec. 11<sup>th</sup>.
  - For Report
    - Use last year's report as a guide
    - Extension of work done for last deliverable
  - For Presentation
    - Use same format from last presentation
    - More information, include what is left to do next semester
  
- Brazil team will be home for Christmas
  
- Decision on Gas or Electric engine to power plane
  - Missing a battery from last year and it is expensive (\$\$\$)
  - Question of whether electric power will suffice for 1hr flight time
  - Need to look into how ardupilot handles gas engines
  
- Need to talk with Dr. Shih about money for competition registration
