

## Team Meeting notes

February 2, 2015

- Worked on website
  - Have to organize and upload team meeting notes
  - Add updated pictures
    - Prototype
    - Testing
- Things we need to ask Dr. Clark
  - About cutting the treads
  - Motors/gearboxes
  - Tether connection
- Need to figure out our axles
  - Can put another pinion on end of gearbox and have it angled like a bevel gear
