

Team Meeting

November 3, 2014

Objectives

- Optimize chassis
- Order motor

Ordered

- Motor
- RCA to USB adapter

For chassis

- Experimented with different shaped tracks
- Got chassis to traverse a keyboard
 - While flat on desk
 - While at a rather steep incline
 - Definitely would be able to climb gopher tortoise hole
 - chassis mock 2 3V 0.9-1A (depending on load)
