

*Engineering the Future, Today*

**GEORGE & HUTCHESON ENGINEERING, INC.** is seeking to fill a Project Engineer position for our Tallahassee office. Candidate will receive extensive experience in Land Use Planning, Site Planning, Drainage, Water, Sewer, Environmental Permitting and Public Infrastructure Design projects. Candidate must possess a BS degree in Civil Engineering or related field. This is a full-time position.

Currently, our firm provides engineering services to Florida State University, City of Tallahassee Public Works, Water Utilities and Stormwater Division, Leon County School Board, Florida Department of Transportation, and Florida Department of Environmental Protection.

Experience or familiarity with AutoCAD 2002 and with Land Development Desktop (LDD) is a plus. G&H has an outstanding compensation plan and extensive benefits, vacation leave, and 401K - retirement plan.
