

EXAMINATION ANNOUNCEMENT
TRANSPORTATION ENGINEER I – (8439)
CIVIL ENGINEER

RECRUITMENT: **Open:** This position is open to any one who meets the *selective qualifications listed below.

CLOSING DATE: June 30, 2005 (List will expire August 31, 2005.)

SALARY: \$31,416 - \$51,452 Projected starting salary: \$43,059

NATURE OF WORK:

This is entry level professional civil engineering work applying engineering theories, principles, and standards to a variety of engineering projects and processes. In a learning capacity, assists with engineering projects; operates CADD; trains on software applications in the division assigned; assists in preparation of supporting documentation for engineering projects; reviews plans and specifications; conducts material testing evaluation and quality assurance and conducts construction inspection under the direction of a higher level engineer. Positions in this class do not supervise, but may provide direction and guidance to technicians. Work is performed in an office setting and in the field; work may require physical inspection of job sites.

MINIMUM QUALIFICATIONS:

EDUCATION: *Possession of a bachelor's degree in civil engineering, or a closely related field, from an accredited college or university.

EXPERIENCE: None required.

*A selective qualification recruitment is conducted for a job or position when there is a specific or additional bona fide occupational qualification (i.e. knowledge, skill or ability).

NOTES:

Persons currently registered as Professional Civil Engineers in the State of Maryland, or in a state with comparable requirements, are considered to have met the education requirements.

LICENSES, REGISTRATIONS AND CERTIFICATES:

Employees in this classification may be assigned duties that require the operation of a motor vehicle. Employees assigned such duties will be required to possess a motor vehicle operator's license valid in the State of Maryland.
