

**FAMU-FSU College of Engineering
Engineering Entrepreneurship Kickoff Event
(Spring 2013)**

TEAM TRACKING FORM

The purpose of this form is to let the department-level project coordinators know which groups they should stay in touch with over the summer, pursuant to possible adoption of a project for academic credit in the coming (2013-2014) academic year. Please turn in these forms to the workshop coordinator, Dr. Frank, at the end of the workshop, and he will make sure they are distributed to the appropriate departmental coordinators.

The tentative name of this venture is: _____

Primary contact name: _____ Email: _____

Brief description of this venture's goals and near-term focus:

Tentative list of team members / partners recruited so far:

<u>Name</u>	<u>Affiliation</u>	<u>Role</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

The specific project suitable for academic credit that the team would like to pursue during the 2013-14 academic year (assuming recruitment and funding goals are met) is (brief description):

We would like to recruit additional students to work on this project for academic credit in 2013-14 in the following capacities:

Students

Needed:

Role:

Desired Background/Skills:

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Fundraising work accomplished so far (specify any sources and amounts):

Fundraising goals for summer 2013 (include estimated amount of funding needed for '13-'14):

I suggest that the academic coordination of this project be led by the following department(s) (may be an Engineering department, or any other FAMU/FSU department):

with involvement in advising/evaluation contributed by the following additional departments:
